

# Harvest Time Christian School

## Parent School Agreement

---

---

In making application for my child, it is my desire for him/her to complete the school year. I assume responsibility for **all financial obligations** of my child to the school, including payment for lost or damaged books. I also understand that report cards, transcripts, and other records will be withheld unless financial accounts are in order. I understand that MONTHLY TUITION is due on the first day of the calendar month and is considered delinquent after the fifth of the month, at which time a \$25.00 late charge will be added to my account, and that my child will not be allowed back in class should my account become thirty days in arrears. I also understand that there will be a \$30.00 fee per check for any returned checks.

The administration is hereby given full discretion in the discipline of my child, including issuing of detentions, suspension, corporal discipline (to be administered by a parent), and expulsion from the school program. Dismissal may result when my child demonstrates by conduct or attitude that he is not in harmony with the rules and regulations or if he fails to answer honestly any question on the registration card or interviews. I have read the school handbook and will abide by it completely. I agree that my child must abide by all of the policies, rules, and regulations of the school, including those listed in the school handbook.

I understand and agree that attending Harvest Time Christian School is a privilege, and the school has the right to suspend or expel my child from school for just cause, as determined by the school. Notwithstanding anything to the contrary contained herein, this Agreement does not bind either party to any specific period of enrollment. Either party may terminate this Agreement without cause upon seven (7) days written notice.

As I consider it important to adhere to Christian principles and ideals as detailed in the Bible, and Harvest Time Christian School is a Christian ministry organization, both parties agree that they would never make demands, threaten to sue, or actually litigate any matter whatsoever relating to or resulting from this Agreement. To do otherwise would be in clear violation of biblical teaching and practice.

I understand and agree that the instructors and other school officials will guide the education of my child. I agree that my purpose in obtaining a Christian education for my child will be achieved by following the curriculum set by the instructors. To that end, **I agree that I will require my child to perform all duties and responsibilities entrusted to him/her by the instructors or school officials to the best of his/her ability and to their satisfaction.** I understand and agree that during my child's enrollment the courses offered and the instructors teaching them may change from time to time at the discretion of the school leadership.

In the event of illness or accident, should the school be unable to reach either parent, I give my permission for the school to approve emergency medical treatment for my child.
